

THE TEN KEYMANDMENTS

Don't anchor on a reef.
(Reefs are alive. *Alive*. A-I-L-I-V-E.)

Don't feed the animals.
(They'll want to follow you home.
And you can't keep them.)

Don't trash our place.
(Or we'll send Bubba to trash yours.)

Don't collect conch.
(This species is protected. By Bubba.)

Don't disturb the bird nests.
(They find it very annoying.)

Don't touch the coral.
(After all, you don't even know them.)

Don't speed.
(Especially on Big Pine Key,
where Key deer reside, and tar-and-
feathering is still practiced.)

**Don't catch more fish
than you can eat.**
(Better yet, let them go.
Some of them support schools.)

Don't damage the sea grass.
(And don't even think about
making a skirt out of it.)

Don't drink and drive.
On land or sea.
(There's absolutely nothing
funny about it.)
